

December 2025

**Quality Improvement Program - New Jersey
(QIP-NJ) Announcements & Updates**

Dear QIP-NJ Program Participants,

The Department of Health (DOH) encourages hospitals and other interested parties to review this newsletter to help ensure your teams stay up-to-date on important news and announcements regarding QIP-NJ. As always, all newsletters will be posted to the QIP-NJ Documents & Resources webpage within approximately one week of distribution. If you have any questions, concerns, or to unsubscribe from this newsletter, please email QIP-NJ@pcgus.com. Thank you!

DOH Corner

MY5 of QIP-NJ concludes on December 31st, thus DOH would like to sincerely thank our hospital partners for all the hard work that has been put into this program.

As we look ahead towards the new year, DOH wishes all of our hospital partners and their families a happy and healthy holiday season!

As always, should participating hospitals have any questions or concerns, please reach out to the QIP-NJ Team via email at QIP-NJ@pcgus.com.

MY5 Data Collection and Analysis Runout Period Letter of Intent

Completed and signed MY5 Data Collection and Analysis Runout Period Letter of Intent submission were due on **December 19, 2025**. DOH uses the information from the letters to update QIP-NJ contact information and list of Medicaid IDs and billing provider NPIs to determine MY5 attribution. If your hospital would like to update the information that was previously submitted or has any questions, please contact QIP-NJ@pcgus.com.

MY4 Results and Payment Letters Forthcoming

DOH is finalizing MY4 results and payment calculations. Next month, hospitals can expect to receive two letters—one containing final calculated MY4 results and MY5 targets and a separate notice containing MY4 payment amounts. DOH and DHS anticipate providing guidance to Medicaid Managed Care Organizations to render payments within the first quarter of 2026.

Other State Initiatives and Programs

- The Center for Continuing Health Education is offering **Board Certification in Telemental Health (BC-TMH) provider training**. The training is a NBCC 9.0-hour continuing education self-paced curriculum-planned online course that integrates into your patient care and keeps participants up to date with competency and licensure board requirements. To learn more about this opportunity, please visit the [program webpage](#).
- On December 4 the **March of Dimes and CMQCC** held the first of a three-part series, “Understanding Preeclampsia Risk & Low-Dose Aspirin: A Global and US Perspective.” December’s webinar reviewed the global and US prevalence, outcomes, and disparities for preeclampsia and introduce our new co-authored resource, “[Low-Dose Aspirin for Preeclampsia Prevention: Implementation Guide for Clinical Teams](#).”
- The **Maternal Mortality & Morbidity Advocates (MoMMAs Voices) team has created a comprehensive resource hub**. This hub includes valuable information from healthcare systems, Perinatal Quality Collaboratives (PQCs), non-profits, and quality improvement initiatives to support maternal health efforts. Teams can find resources on national and local SUD support, as well as information on opioid, alcohol, cannabis, tobacco, and stimulant use. It also covers best practices for screening and reporting, along with patient education and advocacy. You can access the hub [here](#).
- The **CDC’s Million Hearts® Hypertension in Pregnancy Action Forum (HPAF)** is a national collaborative for clinical, public health, and community-based partners to exchange best and promising practices, identify solutions to common obstacles, and share resources related to improving hypertension management for women during and after pregnancy. This program has ongoing forum sessions that can promote new knowledge and share best practices nationally. Additionally, the program website has some resources that QIP-NJ maternal health teams might find useful, including resources for treating hypertension in the prenatal period and some resources for postpartum blood pressure monitoring.
- The **Ancient Song Give Away** is a monthly event where caregivers can receive free diapers, wipes, and baby essentials. The next giveaway is on January 17, 2026, from 11 AM to 2 PM, at 50 Church

St., Montclair, NJ 07402, on the 1st floor. These events recur every 3rd Saturday of the month.

- **Advanced Life Support in Obstetrics (ALSO)** training is an evidence-based training used by birthing providers and interprofessional maternity care teams to handle obstetric emergencies. NJ DOH encourages teams to look into the components of the training. You can find more information on the training program [here](#).
- **Alma Program for Southern Jersey Hospitals: Nurture NJ** has announced the availability of the Alma Program, a free, evidence-based, peer-to-peer mentoring program designed to help make the parenting journey a little easier. The program connects expecting mothers and recently postpartum moms experiencing feelings of depression, anxiety, and stress with trained professionals that have faced similar challenges. Through weekly meetings, participants receive support and share skills that have the potential to make a big difference as they step into a new chapter in their lives.

The Alma program is currently offered in South Jersey but has plans to expand to Central and North Jersey later this year. To learn more

about the Alma Program, to enroll, or to refer a mom, visit www.snjpc.org/alma.

- The **Nurture NJ Strategic Plan**, which aims to make NJ the safest and most equitable place in the national to deliver and raise a baby. Please check the [Nurture NJ website](#) for more information and to discover new ways to become engaged.
- The **New Jersey Maternal Health Innovation Authority (NJMIHIA)** is governed by a 15-member Board and an appointed President and Chief Executive Officer and support staff. The Board will adopt recommendations for action to reduce maternal mortality, morbidity, and disparities. The Board also coordinates with a Community Advisory Committee to support and inform its work. The 11-member Community Advisory Committee will represent diverse community groups with relevant experience as providers or recipients of maternal, infant, and child health services.
 - NJMIHIA's meetings are open to the public and the last meeting was held on December 17, 2025. Additional information, including meeting materials, will be published on the [NJMIHIA website](#), so please continue to check back regularly. For additional information about the NJMIHIA, please feel free to email the team at info@njmihia.gov.
- Funded by DOH, **NJ Quit Centers** provide residents of New Jersey with resources and support to stop or reduce their use of tobacco including e-cigarettes, disposables, pouches, and other related products. Quit Centers can and do play an integral role in helping clinical facilities meet their goal of advancing statewide quality improvements for BH under QIP-NJ Measure BH08: Substance Use Screening and Intervention Composite. More information regarding Quit Centers, including contact information for the Inspira Quit Center and RWJ Barnabas Health Institute for Prevention and Recovery (IFPR) Nicotine and Tobacco Recovery Program, can be found here: <https://www.tobaccofreenj.com/quit-smoking>.
- **DHS' Division of Mental Health and Addiction Services (DMHAS)**, which serves as the Single State Agency (SSA) for Substance Abuse and the State Mental Health Authority (SMHA), as designated by the U.S. Substance Abuse and Mental Health Services Administration

(SAMHSA), also oversees NJ's adult system of community-based BH services. Please [check DMHAS' website](#) for more information and discover new ways to become engaged.

- **DHS' Episode of Care (EOC) Pilot** is a three-year pilot to test a new alternative payment model for prenatal, labor, and postpartum services statewide. More information regarding the EOC Pilot can be found on DHS' [website](#) at the link below. Performance Period 1 (15 months) of the EOC Pilot ran from April 1, 2022 through June 30, 2023. Performance Period 2 (12 months) ran from July 1, 2023 through June 30, 2024. Performance Period 3 (12 months) ran from July 1, 2024 through June 30, 2025. Program Performance Period 4 (12 months) will run from July 1, 2025 through June 30, 2026. For more information about the EOC Pilot, please visit DHS' website at: [Episode of Care Pilot \(nj.gov\)](#). For questions, please send an email to the DHS team at mahs.maternityepisode@dhs.nj.gov.
